

March 14, 2020

Dear Noah Webster Schools Families:

Thank you for your continued support as we work collaboratively with internal and external stakeholders to make informed decisions, on behalf of our students, staff and families, related to the COVID-19 outbreak. As we continue to monitor the situation, we have opted to take the proactive and cautious approach to protect our students, staff and families and close our schools.

Effective Monday, March 16<sup>th</sup>, all Noah Webster Schools campuses will be closed for the two-week period of March 16<sup>th</sup> - March 27<sup>th</sup> to support the effort to minimize the spread of COVID-19 and anticipate reopening Monday, March 30<sup>th</sup>. Prior to March 30<sup>th</sup>, additional communication will be sent out to families.

At this time, we have no known cases of COVID-19 with students or staff, and this decision is only a precaution to ensure the health and well-being of all of our students and employees.

There will be subsequent communication as we determine further details and provide updates via email, our website and on social media.

Thank you for your continued patience, understanding, and support as we work through this unprecedented time in education.

Sincerely,

Noah Webster Schools
