Pima Rd, Scottsdale, Arizona at 11:00 a.m. A quorum being present, and the meeting having been duly noticed and called, the meeting was called to order.

1. Call to Order

The meeting was called to order.

2. Possible School Closure Due to COVID 19

The Board had previously been provided with all communication received by the schools from the ADE, Governor's Office and Maricopa County Health Department regarding course of action being considered in response to the Coronavirus Pandemic. They were also supplied a list of schools, both Charter and District who had already closed.

The Board questioned the Principal and the HR Director as to what communication to date, has been received from parents and staff and what the school's response to those concerns have been. After discussing the closure options available to the school and the impact that can be expected from each of the options,

Director Tomasson made the following motion:

Effective Monday, March 16, Noah Webster Schools campuses will be closed for the two-week period of March 16th – March 27th to support the effort to minimize the spread of COVID-19 and we will anticipate reopening Monday, March 30th.

Director R. Miller seconded the motion.

The motion passed unanimously with Directors Pennington, Wales, Tomasson, R. Miller and S. Miller all voting to approve.
