

On-Campus/In-Person Safety Measures

In Class

- Students will be distanced from each other when in class, as feasible.
- All desks will face the same direction
- Hand sanitizer will be used frequently in class and when entering and exiting the classroom
- Materials/Supplies will not be shared between students, unless sanitized between usages
- Backpacks will be kept at the students' seats
- Classrooms will be disinfected regularly
- Parents will be responsible for sending their child to school each day with a clean face covering when required by local mandates or as a personal preference and full water bottle.

Transportation

- Buses will have signage to encourage healthy bus riders
- Hand sanitizer will be provided to students and its use will be required.
- Buses will have assigned seating with families seated together, when possible
- Bus seats will be sanitized/disinfected between am/pm routes

Daily Health Screenings

- All Staff and students will be screened daily
- Students screenings are on a three prong continuum (Home, Busing, School/Classroom)
- Parents will be responsible for determining their child's health status before arriving at school, and for keeping their child home should they present with symptoms.

On Campus

- Students will be distanced from each other when in the cafeteria, as feasible.
- Students will be seated with their class.
- All café tables will face the same direction
- Specials such as Music, PE, Art, and Library will occur with some modifications
- Recesses, Before and After Care, and After School Programs will occur, but may be modified to limit the number of student interactions
- Specific water fountains will be retrofitted with water bottle filling stations.

Events & Field Trips

- Volunteers on-site will not be allowed until further notice; this will be continually evaluated.
- Visitors on campus are only allowed when required for the daily operation of the school.
- No Field Trips will take place off-site until further notice, this will be continually evaluated.
- Virtual field tips will be offered

Health Office Procedures

- Staff and students will follow Noah Webster COVID-19 Procedures
- Department of Health guidelines will be followed for staff and students
