This program will enable children to build self-confidence, express oneself with music and reading fluency. we will focus on singing and learning about certain genres of music. we will offer themed "Genre spirit days" where the kids will get to dress up & play fun karaoke games! Students will share their love of music with peers that share the same passion.

Any snack donations will be greatly accepted & appreciated to Miss Carreiro. We take a snack break every day in Karaoke Club. Please send your student with an extra snack for Karaoke Club.
